DOMESTIC

ITEMIZED INSURANCE INVENTORY VALUATION LIST ONLY NEEDED FOR INSURED VALUE of \$10,000 OR GREATER (Additional charges apply.)

Please note Adcom Worldwide does not automatically insure the contents of your shipment. When no excess value is insured, liability is limited. If you desire the additional protection, please mark the INSURANCE BOX on the Adcom way bill and please mark the appropriate box below to indicate you want to purchase All Risk insurance. All risk insured domestic shipments are to be valued at full invoice value. Include the cost of reusable shipping cases in your insured value. Damage or loss to used goods is at replacement value.

Our policy requires an inventory containing box numbers, contents description (including serial and model numbers for electronic equipment) and value insured. Complete this form and fax a copy to ADCOM WORLDWIDE at 1-412-787-2222 prior to your pick-up plus hand deliver a copy to the driver at the time of your pick-up. Thank you!

Table with 3 columns: Box Number, Contents (specify container type), Insured Value. Includes a TOTAL row at the bottom.

I understand that in the absence of a declared insurance value amount on accompanying Itemized Insurance Inventory Valuation List, for domestic shipments liability shall in no event exceed \$0.50/lb. All shipments are subject to the Terms and Conditions as shown on our website at http://adcomworldwide.com/pdf/t&c.pdf. For further information see our Insurance Guideline.

Please check the appropriate box(s):
