Bonnie,

I would like to thank you, and your team, at Adcom Worldwide for providing exceptional logistics services to Redapt, Inc. since 2011. Over the last four years, and counting, Adcom has been our go to for our large, complex, and sensitive freight delivery solutions. We depend on your company's in-depth knowledge, flexibility, and overall ease to work with on our complex logistics projects.

As a large IT solutions provider, successful delivery of our products is key in Redapt's overall success. Adcom has shown us an elevated level of consistency and professionalism that has gone above and beyond our expectations. In addition, Adcom is always able to proactively identify a variety of options and solutions to accommodate all of our customers complex needs. This willingness to go that extra mile helps make our jobs just a bit easier!

It's a pleasure to have Adcom as a partner, and we look forward to a continued business partnership for many years to come.

Sincerely,
